Summary

I am working towards completing a full stack code bootcamp. I have a degree in International Business from the Rady School of Management. I plan to use what I learned in my business classes, working with independent musicians, and coding classes in order to apply them towards developing software that helps independent musicians.

Skills

- Coding Languages: Java, HTML, JQuery, and CSS.
- Fluent in Spanish.
- Strong verbal/written communication skills.
- Willingness to learn with a passion to succeed.
- Able to lead, work in a team, multitask, and meet deadlines.

Experience

Warehouse/Driver; Jewish Family Services

08/2019-Present

Alaska Ramp Agent; LAX

09/2018-07/2019

Driver/Dispatcher/Trainer; University of California, San Diego

08/2016-09/2018
